Wild West Duels: Slot Overview

Hey players, get ready to saddle up for a... wait;

actually, there's been so much saddling 5 going on courtesy of all these Western-themed slots, we might start chafing in the crotch area soon. Why don't we 5 make the journey on foot this time? However you choose to venture forth, today's destination is Wild West Duels, an 5 online slot from the prodigious Pragmatic Play team. Now, being prodigious doesn't always mean being original - Wild West Duels 5 is a classic example of 'borrowing' others' ideas. We won't give the name of the prior game up just yet, 5 but if you're willing to risk a bit of saddle sore, players familiar with Western-themed slots should be able to 5 pick it pretty soon.

Wild West Duels' setting is none other than a dusty frontier town that looks like it might 5 have been abandoned a while ago. Perhaps the local mine tapped out, or the train barons refused to build a 5 stop here or any number of things that would lead to a town's demise. Then again, perhaps the population are 5 too scared to venture forth onto the streets for fear of banditry? Whatever the case, Wild West Duel's town feels 5 kinda desolate, its streets filled with tumbleweeds, dust, and a couple of cacti. A twangy soundtrack has been supplied to 5 fill the audio side of the bargain, which is pretty darn good, though also a little spoiled by the xylophone-like 5 sounds for win count-ups. It's good, audio-visually, but nowhere near as uniquely atmospheric as the slot it's trying to be.

Wild 5 West Duels is played on a 5x5 game grid, where 15 lines cross the gaming area for landing winning combinations 5 on. That'll happen when three or more of a kind hit along a line from the leftmost side over consecutive 5 reels. Highly volatile and rather unforgiving at times, no matter how players approach the game – buying bonuses or betting 5 on individual spins, the RTP remains the same. It tops out at 96%, though two lower settings have been produced, 5 so a quick check of the payable will clear up which version you've got. If it all looks okay, then 5 stakes of 20 p/c toR\$/€100 per spin can be selected to get the duelling going.

On the symbol side of things, 5 Wild West Duels comes with 10 regular paying symbols and a bunch of specials as well. Regular pays start on 5 the lower side with a wanted poster, necktie, drink bottle, boots, and a hat, while the high pays include five 5 various character symbols. Hitting a winning line made up of five matching symbols

awards 1x the bet for the lows 5 or 5-20x the bet for the premiums. Appearing on all reels to help link symbols is the regular bag of 5 gold wild, which substitutes for any normal paying symbol. In the base game or in the Duel feature, wild symbols 5 can randomly expand to fill the whole reel, and two gunslingers duel it out. The winning dueler adds their multiplier 5 of x2 to x100 to the wild. Expansions only happen if at least one win will be formed.

Wild West Duels: 5 Slot Features

That brings us to three

special symbols which are used to trigger Wild West Duels' three bonus rounds – 5 the Beer Game, the Duel, and Lost Relics.

Beer Game

Hitting 3 or more Beer Game scatters

triggers 10 free Beer Game 5 spins. In the Beer Game, when the wild beer mug symbol hits, it gets a random multiplier of x2 or 5 x3 and sticks to its position until the round comes to an end. Multipliers are applied to any wins they 5 are part of, and multiplier values are added when more than one wild is involved. Expanding wilds are not part 5 of this feature, which cannot be retriggered either.

Duel

When 3 or more Duel scatters

land in view, players win 10 free 5 Duel spins. During this bonus, expanding wilds are present, and at least one wild symbol is guaranteed to land in 5 a random position on each free spin. This round also cannot be retriggered.

Lost Relics

The last scatter is

the Lost Relics 5 scatter. Landing at least 3 of them triggers the Lost Relics round – starting with 3 free spins. Before the 5 spins begin, though, players pick 9 out of 25 shovels shown on the screen to reveal either guaranteed wilds or 5 random multipliers. Wild values are 1, 2, 3, or 5, while multiplier values are x1, x2, x3, or x5. Once 5 the picks are done, the free spins are played. For each spin, the picked number of wilds is guaranteed to 5 land in random positions, and each win is multiplied by the initially picked multiplier. Expanding wilds do not feature, and 5 the round cannot be retriggered.

Buy Free Spins

If possible in your country, players are able to buy any of the three 5 bonus rounds. The cost of buying the Beer Game is 100x the bet, the Duel costs 200x the bet, while 5 Lost Relics has a price tag of 400x the bet. As mentioned, the RTP for all of them is the 5 same as when non-bonus buy playing.

Wild West Duels:

Slot Verdict

Okay, it's not pixel for pixel the same, but yeah, Wild 5 West Duels is, for all intents and purposes Hacksaw's Wanted Dead or a Wild by another name. Wanted Dead or 5 a Wild's crushing portrayal of the West came out around a year and a half before Wild West Duels was 5 scheduled for release. Perhaps Pragmatic Play was banking on memories of Hacksaw Gaming's popular slot dwindling since then, and maybe 5 no one would notice. Then again, maybe Pragmatic Play cavalierly steamed ahead with its version without little to no regard 5 for what other people might think. Hardly a new move. In the world of online gambling, imitation isn't just the 5 sincerest form of flattery, it's a fairly common occurrence.

Putting that to the side for a moment, what we've got left

5 over is an exciting Western slot, though be warned, one which displayed moments of cruel brutality. Its bonus rounds have 5 the ability to pull its parts together to create something special, but they could easily go practically nowhere as well, 5 making buying them a precarious proposal. At least, it could be during our test sessions. Winning

potential is massive, though, 5 and at 20,000x the bet, there is more on offer here than there was in the original Wanted Dead or 5 a Wild slot by quite a wide margin. Perhaps big numbers will be the bait that hooks prospective players over 5 from Wild West Duels?

It might have to be because the rest of the game feels like a distant second.

Wild 5 West Duels lacks the originality (in regards to things like artwork, gameplay and oppressive atmosphere) that Wanted Dead or Alive 5 exploded on the scene with. It's hard not to class Wild West Duels as a cracking good game, but only 5 really because it nabbed its best ideas from a competitor.
